

WINTER UPDATE 2021

Academic Vice President: **Alexa Meza**

- Met with IT to work through improvements for the new Schedule of Classes feature
- Gathered student feedback to suggest new filters and options for the Schedule of Classes to improve student interaction with the new interface
- Began conversation with Disability Resource Center to ensure Schedule of Classes webpage provides adequate information needed on building accessibility for individual courses
- Met with the Demographic 25 Steering Committee to initiative goals for improving student retention and success over the next 5-10 years
- Advocated for adjusted measures of student success in Cardinal Core D1 & D2 courses
- Working with HSC students to collect student academic concerns across the medical, dental, nursing, and public health departments
- Joined the Follett E-Access committee to ensure that students are being represented in discussions about textbook affordability
- Continuing to work with Student Success to implement a course material loan program for students
- Worked closely with members of the Cardinal Core Curriculum Committee to evaluate new course proposals for the Fall 2022 semester
- Coordinating a tabling event for Monday, December 6th in the SAC for students to pick up free scantrons and blue and green books.
