

OCTOBER UPDATE 2021

Academic Vice President: **Alexa Meza**

- Successfully advocated against the termination date of the 'Setup Search Class Schedule' webpage until January 2022 to ensure that all students can use the online website spring registration
- Heading a student focus group to improve the interface for the new Schedule of Classes webpage, convey the general concerns of students in this transition, and to effectively communicate and promote the change
- Advocated for further accountability measures for unvaccinated faculty members who fail to comply with required COVID testing periods
- Working to institutionalize UofL's Vote Everywhere initiative by integrating information critical to civic engagement into ULink and Gen 101 courses
- Collecting student feedback on Cardinal Core experience and working to improve student outlook on the importance of Cardinal Core curriculum
- Working to repurpose 50+ iClickers and coordinating a partnership with other university academic resources to make course materials available at no additional cost to students
- Working to implement "employability skills" and "digital literacy" as measures of student success within Cardinal Core
- Overseeing the planning of a free professional headshot event for students
