

AUGUST UPDATE 2021

Academic Vice President: **Alexa Meza**

- Advocated for a pass/fail option that provides students with anonymity of grading statuses from professors to ensure an equal delivery of feedback across all students within a course
- Working with Deans to ensure student health, safety, and wellbeing by enforcing mask compliance in shared academic spaces
- Working with faculty and Provost to ensure that faculty are emphasizing academic equity, accessibility, and compassion to students who are required to quarantine
- Ensuring that newly selected Ekstrom security is trained against implicit bias to prevent unfair targeting of students of color entering the library
- Increasing visibility and knowledge of SGA Cares Initiative and COVID-19 concern reporting avenues through temporary signage in campus libraries
